

Telephone Conference: CoC Drafting Group

15 January 2018

09:00 – 11:00

Summary Report

Drafting Group members shared updates with regards to their sub-group topics and their respective first drafts. These draft texts form the basis of discussion for the upcoming face to face meeting. Additional activities and developments were discussed, including a meeting with DG Justice, who have expressed interest in providing input.

Key topics to be discussed during the face to face meeting on 22 and 23.01.18, Brussels were agreed upon. D on

Updates were provided on the panel session on the Code of Conduct for Health Research at the upcoming CPDP (International Computers, Privacy and Data Protection) conference on 26 January 2018 in Brussels. The format of the panel, as well as panellist members, were confirmed.

The face to face Drafting Group meeting on 22 and 23 January 2018 in Brussels was discussed. Key topics requiring dialogue were agreed upon. It was agreed that time would be allocated to discuss and move forward on the topic of informed consent, which would also serve to provide input for the response to the Article 29 Working Party Guidance on Consent due the same day. A further subject requiring consensus included style of drafting, in order to ensure harmonisation of approach when drafting sections of the Code.
